DISCLAIMERS

Opinions expressed are current opinions as of the date appearing in this material only. This website is neither a general guide to investing, nor a source of any specific investment recommendation. No express or implied recommendations are included concerning the manner in which any client's account should or would be invested.

Investment strategies are entirely relevant to the clients investment return objectives and risk characteristics. Intending person or persons in possession of this material, hold responsibility to inform themselves and to take appropriate advice as to any applicable statutory requirements and tax laws. Portfolio risk management is an effort to monitor and manage risk, but does not imply low risk or no risk.

This website does not constitute a solicitation or offer to sell securities or investment advisory services except, where applicable, in states where GoodWin Asset Management, Inc. is registered or where an exemption or exclusion from such registration exists.

Throughout this site, whether stock quotes, charts, articles, or any other statement or statements regarding market or other financial information is discussed, such information is obtained from sources which we, and our suppliers believe reliable, but we do not warrant or guarantee the timeliness or accuracy of this information. This website does not interpret to state or imply that past results are an indication of future performance.

Assets invested in the market are subject to market and economic conditions. Regardless of cause, neither GoodWin Asset Management, Inc, nor our information providers shall be liable for any unforeseen errors or inaccuracies. Moreover, this website neither constitutes an offer to enter into an investment agreement with the recipient of this document nor an invitation to respond to the document by making an offer to enter into an investment agreement.

Without prior written consent of GoodWin Asset Management, Inc, no part of this website may be
